## REPORT OF INDEPENDENT AUDITORS

Board of Directors  
The American Legion Child Welfare Foundation, Inc.  
Indianapolis, Indiana

We have audited the accompanying statements of financial position of The American Legion Child Welfare Foundation, Inc. as of December 31, 2006 and 2005, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The American Legion Child Welfare Foundation, Inc. as of December 31, 2006 and 2005, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information as listed in the table of contents is presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

THE AMERICAN LEGION CHILD WELFARE FOUNDATION, INC.  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2006 and 2005

---

**NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

General: The American Legion Child Welfare Foundation, Inc. (Foundation) was incorporated in 1954 for the purpose of making grants to qualified recipients for projects or programs related to improving the general welfare of children in the United States. The Foundation's primary source of revenue is contributions.

Net Asset Classifications: The financial statements have been prepared in accordance with Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. SFAS No. 117 requires, among other things, that the financial statements report the changes in and total of each of the net asset classes, based upon donor restrictions, as applicable. Net assets are to be classified as unrestricted, temporarily restricted, and permanently restricted.

The following class of net assets is maintained:

Unrestricted Net Assets - Unrestricted net assets represent the part of the net assets of the Organization that is neither permanently restricted nor temporarily restricted by donor-imposed stipulations. The unrestricted net asset class includes general and board designated assets and liabilities of the Foundation. The unrestricted net assets of the Foundation may be used at the discretion of management to support the Foundation's purposes and operations.

Cash and Cash Equivalents: Cash and cash equivalents consist of bank deposits in accounts that are federally insured up to \$100,000 per financial institution. Additionally, for purposes of the statement of cash flows, the Foundation considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Investments: The Foundation has adopted Statement of Financial Accounting Standard (SFAS) No. 124, "Accounting for Certain Investments Held by Not-for-Profit Organizations". Under SFAS No. 124, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair value based on quoted market prices or dealer quotes in the statements of financial position. These investments were initially recorded at cost if they were purchased or at their fair market value on the date of the gift if they were received as a donation. Unrealized gains and losses are included in the statements of activities change in net assets.

Fair value of investments at 2006 and 2005 were \$6,574,503 and \$6,420,053. Cost basis of investments at 2006 and 2005 were \$6,345,674 and \$6,279,086. Therefore, the cumulative appreciation (depreciation) at 2006 and 2005 was \$228,829 and \$140,967, respectively.

**NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Income Taxes: The Foundation is exempt from income taxes on income from related activities under Section 501(c)(3) of the U.S. Internal Revenue Code and corresponding state tax law. Accordingly, no provision has been made for federal or state income taxes. Additionally, the Foundation has been determined not to be a private foundation under Section 509(a) of the Internal Revenue Code.

Use of Estimates in the Preparation of Financial Statements: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Property and Equipment: Property and equipment are stated at cost or, if donated to the Foundation, at fair market value on the date of acquisition. Additions and improvements are capitalized; expenditures for routine maintenance are charged to operations. Depreciation is provided over the estimated useful lives of the various classes of assets on the straight-line method. The estimated useful lives are as follows:

Equipment	5 to 10 Years
-----------	---------------

Donated Services: Contributions of services are recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Donated services, consisting of certain administration functions performed by employees of The American Legion National Headquarters for the Foundation, are reflected in the statements of activities as an expense and an offsetting amount of income. For the years ended December 31, 2006 and 2005, donated services amounted to \$68,406 and \$46,616.

Eight and Forty Research: Contributions received for Eight and Forty Research are designated by the Foundation for grants related to cystic fibrosis or other upper respiratory diseases.

Sons of the American Legion: Contributions received by and in the name of the Sons of the American Legion are designated for grants to organizations that assist in improving the general welfare of children.

Grants: Grants awarded to qualified recipients are expensed in the year they are approved by the Board of Directors.

**NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Expense Allocation: The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**NOTE 2 - FUNCTIONAL EXPENSES**

The following represents a functional breakdown of the Foundation's expenses by program and supporting services.

	<u>2006</u>	<u>2005</u>
Program Services		
Child welfare	\$ 438,604	\$ 629,244
Supporting Service

Fundraising	<u>49,430</u>	<u>47,471</u>
 Total expenses	 <u>\$ 601,582</u>	 <u>\$ 767,137</u>

**NOTE 3 - RELATED PARTY TRANSACTIONS**

The American Legion National Headquarters (Legion) is a related party that is not a financially interrelated organization. The Board of Directors of the Foundation is appointed by the National Executive Committee of the Legion. The Legion provides personnel and office space for the Foundation. The Foundation recognizes services received from the Legion in the statement of activities as described in (Note 1).
