ANNUAL CONVENTION
AMERICAN LEGION AUXILIARY
PROMENADE
40 HOMMES ET 8 CHEVEAUX
at Saint Paul
Minnesota

SEPTEMBER FIFTEENTH TO NINETEENTH
NINETEEN TWENTY-FOUR
PUBLISHED BY THE
SAINT PAUL ASSOCIATION
FOR THE
AMERICAN LEGION
Dedication

THIS program of the sixth annual convention of the American Legion is dedicated, as is the Legion itself, to those for whom the war has no ending and for whom the Legion carries on.
Greetings from the President

PLEASE extend my every good wish to the American Legion annual convention. Every year adds to the nations sentiments of gratitude to the heroes who made up its army of crusaders for the liberty of all mankind.

—CALVIN COOLIDGE.
To Our Guests

SAINT PAUL, the Capital of Minnesota and the Gateway City of the Northwest, is happy to welcome you.

The task of preparing for your reception and entertainment has been a pleasant one and we hope has been performed to your satisfaction. Our City is prepared for your entertainment. Make yourselves at home and let us know what more we can do for your pleasure.

Let us all remember, however, that pleasure is not the chief object of this occasion. We are all here for the purpose of furthering our program of efficient and constructive service to our disabled comrades, to the orphans in whose veins flows the blood of sires who gave their lives in the service of our country, and to Community, State and Nation. That is the motif of the organizations which it is our high privilege to welcome and entertain and our greatest desire is to be of genuine assistance to them in reaching the high objectives of American citizenship which they seek to attain.

—ROYAL A. STONE,
Chairman Saint Paul General Committee.
Headquarters

Headquarters of the American Legion are located in the Armory, Sixth and Exchange Streets. Headquarters of the 40 Hommes et 8 Chevaux are at the Junior Pioneer Hall, Ninth and Exchange Streets. Headquarters of the American Legion Auxiliary are at the Central Presbyterian Church, Cedar Street and Exchange. (See map, page 16.)

Bands

A representative of the Band Contest Committee will have offices at the Armory to meet all band masters, register bands, and give instructions concerning the band competition. All bands should report at earliest possible opportunity.

Information Booths

In addition to information booths in all hotels, there are seven official information booths, located as follows: Union Depot, Auditorium, Rice Park, Saint Paul Automobile Club, Court House lawn, Fifth and Cedar; Ten Thousand Lakes Association, Old Capitol lawn, opposite Central Presbyterian Church. (See map, page 16.)

The information department is maintaining constant 24-hour telephone information service. Call “Legion” over any telephone and ask for “Legion information.”

Department Headquarters

A summary of Department Headquarters by hotels showing the telephone number of each may be found in this program on page 32.

United States Mail

All mail addressed to Legionnaires “Care of the American Legion” will be distributed by the Saint Paul Post Office at a Legion Sub-station located in the Cadillac Building, one door west of the Fifth Street entrance of the Auditorium.
Locating Other Visitors

Arrangements have also been made in the Post Office Department to locate any other visitor with whom visitors may desire to get into communication. Apply at the Legion Post Office, Cadillac Building, requesting a locator card. Deposit this card at the Legion Post Office where it will be delivered to the addressee.

Housing Booths

Housing Booths will be located in the Union Depot (see map, page 16) and at Rice Park, Market and Fifth Streets, one-half block east of the Municipal Auditorium.

If you have not already made reservations you will be enabled to secure accommodations by application at these booths.

Parking

Special parking arrangements have been made with Fort Snelling. A car may be parked at the Fort and guarded by members of the 3rd Infantry. A fee of 25 cents will be charged each twenty-four hours. Proceeds of this charge will go to the mess funds of the units of the 3rd Infantry.

States Exhibition

Exhibits of various states of the Union will be found at Rice Park, one-half block east of the Municipal Auditorium. This has been named the “Park of States.” These exhibits are educational and open for your inspection.

Telephone Service

A special telephone exchange has been established by the Tri-State Telephone & Telegraph Company to handle the Official Convention business. To this exchange are connected all telephones of the officers and their staffs.

Connection with this exchange can be had from Manual telephones by merely asking the answering operator for the “American Legion” Exchange.
The operators of this special exchange will relay the call to the party desired.

From Automatic telephones connection with the American Legion Exchange will be secured by dialing "C" and "E" of the Exchange prefix and then the four figures 2, 5, 2, 3, of the telephone number CE dar 2523.

Minneapolis telephones are reached from Saint Paul Manual telephones by merely giving the Minneapolis telephone number to the answering operator who will complete the call. Connection from Automatic telephones is secured by first dialing "Nought" the red "O" and then number desired in Minneapolis. The charge for this service is 10 cents for five minutes and 5 cents for each additional three minutes per call.

Street Car Routes

To Fort Snelling take Fort Snelling, Minnehaha-Plymouth, going west on 7th Street.

Saint Paul and Minneapolis are connected by several electric lines. The most direct is the University line running on University Avenue in Saint Paul. This line runs through Saint Paul’s large and rapidly growing Midway industrial district.

The Selby-Lake line runs west on Selby and Marshall Avenues through the resident district of Saint Paul. In Minneapolis it is a "cross-town" line connecting all lines running south out of the business district of that city.

The Como-Harriet line runs through the northern part of the city, through Como Park, and past the State Fair Grounds.

The Seventh Street line or Snelling-Minnehaha-Plymouth line goes to Minneapolis by way of Fort Snelling and Minnehaha Falls. Cars run every few minutes and the trip takes approximately fifty minutes.

Bus Service

"The Brown Bus" follows generally the route of the Selby-Lake line; the "Twin City Bus Line" the route of the Saint Paul-Minneapolis cars and the "Green Bus Line" the route of the Como-Harriet cars.

Saint Paul street car fare is six cents, fare to Minneapolis twelve cents and bus fare twenty-five cents.
