Why Should I Buy My Flags From The American Legion?

Your dollars go to support America’s children, veterans, and military families…not into another company’s pocket.

Your purchase directly supports:

• Your local State’s American Legion programs & activities.
• The American Legacy Scholarship program for the surviving children of military personnel who have died in the war against terror.
• The Family Support Network to assist the families of deployed military personnel.
• The American Legion Child Welfare Foundation.
• Temporary financial assistance to Veterans in need.
• Helping Veterans file service-related benefit claims.
• Children & Youth educational and athletic programs.
• Legislative support for Veterans issues.

All our flags are constructed with quality:

• Embroidered Stars (appliqued stars for flags 12’x18’ and larger).
• Sewn stripes with double-stitched seams.
• Outside edges have rows of lock stitching to resist tearing.
• Heavy canvas headings with full-sized brass grommets.
• 100% Made in the U.S.A.

Choose your quality of fabric:

Good: Cotton
Our cotton flags are colorfast to sun and rain, and exceed government strength standards.

Better: Nylon
Nylon flags have brilliant color, are lightweight, quick drying, and will fly with the slightest breeze. They are durable and resist stretching. Our most popular flag.

Best: Polyester
Polyester flags are engineered for industrial, commercial, or institutional use. Ideal where high winds or stressful conditions exist. Our toughest, strongest, longest-lasting flag.

According to popular usage, the length of the flag should be approximately 1/4 the height of the pole.

How Long Will Your Flag Last?

Our flags meet or exceed the federal standard of 90 days of use (sunset to sunset, with protection during inclement weather).

For best results, do not expose your flag to rain, snow, or abnormally high winds, as these elements can shorten your flag’s life considerably.

Avoid flying your flag when it is wet. Flying a heavy, wet flag in the wind puts excessive strain on the fabric and stitching, and will greatly reduce the life of your flag. Should the flag become wet, spread it out and allow it to dry completely.

Regardless of how well it is constructed, a flag is not indestructible. Since they’re made out of fabric and subjected to the elements, flags will wear out sooner or later. Reasonably good care of your flag can contribute greatly to give it a longer life.

Patch Attach
Permanent, washable, dry-cleanable, non-toxic. A quick way to attach patches...with no sewing! Designed to bond almost any patch to fabric. So put away your needle and thread, and use "Patch Attach" instead!

How to use:
1. Apply "Patch Attach" along the EDGE of the entire patch back (do not apply to entire patch back).
2. Let glue dry for 10-20 minutes.
3. Position patch on the garment. Cover with a press cloth (such as an old T-shirt) to prevent scorching.
4. Press with a dry iron on cotton setting (no steam) for 60 seconds.
5. If possible, iron on reverse side for additional 30 seconds.

We Need Your Help!

Protect Your Name

Did You Know...

- Only the National Adjutant, or his designated representative (American Legion Emblem Sales), may give authority to use the registered names, emblems, or logos of The American Legion, in accordance with trademark law and National Executive Committee resolutions.

- No officer or member of a Post, County, District, Department, or other unit of The American Legion, has the authority to grant the right to manufacture, reproduce, or deal in items bearing the name, emblem, or logos of The American Legion or any colorable imitation thereof.

Why Protection?

- A basic principle of trademark law stipulates that organizations risk losing the exclusive right to use their registered trademarks if they fail to protect the marks from unauthorized use. Loss of exclusivity would allow individuals to exploit The American Legion name, emblems, and logos for personal gain. Public awareness of such exploitation could reduce the effectiveness of every Post’s fund-raising and service projects.

How Can You Help?

- If you have a need for shirts, caps, pins, tacks, signs, stickers, etc…ask American Legion Emblem Sales first. Call us toll-free at 1-866-632-7131. We will either produce the items for you, or, as a designated representative of the National Adjutant, grant permission to have them made with an authorized manufacturer.

- Do not allow local companies to reproduce our name or emblem. Screen printers, embroidery shops, and any other manufacturer, are in violation of federal trademark law if they reproduce any of our names or emblems, and may be prosecuted. If you become aware of any such abuses, notify us toll-free at 1-866-632-7131.

- Order all of your American Legion-family merchandise from American Legion Emblem Sales. Proceeds from your purchase go directly into the Legion’s and Auxiliary’s general fund, which helps to finance all the successful programs and activities of The American Legion-family.

Public recognition and trust of The American Legion name and other American Legion-family registered trademarks are among the most valuable assets of the organization. Please help protect them.

Selected companies have been granted a license to produce items bearing the name or emblem of The American Legion. For an up-to-date list of these companies, please refer to our web site: emblem.legion.org
