FORTY-FIRST NATIONAL CONVENTION
OF
THE AMERICAN LEGION
Minneapolis-St. Paul, Minnesota
August 25, 26, 27, 1959

Resolution No. 278: Blood Donor Program
Origin: Missouri
Submitted By: Convention Committee on National Security
(Consolidated with Resolution No. 552 (OR))

WHEREAS, The American Legion's Blood Donor Program has long been established as a major form of cooperation with the American Red Cross; and

WHEREAS, It is desirable that this American Legion program be expanded; now, therefore, be it

RESOLVED, By The American Legion in National Convention assembled in Minneapolis-St. Paul, Minnesota, August 25, 26, 27, 1959, That The American Legion accelerate its blood donor program and expand the blood donor emblem program in order to give added stimulus and drive to post level activities in the blood donor plan, and all department are urged to appoint department blood donor program chairman and to encourage organization and active participation at the post level.
