Veterans Affairs and Rehabilitation Bulletin No. 28-00, dated November 7, 2000, set forth the provisions of 'The Veterans' Benefits and Health Care Improvement Act of 2000.' A correction is made to the section on Compensation, Pension, Insurance, Housing, Employment and Memorial Affairs, page 4. The corrected version reads:

- The estate limits on institutional incompetent veterans without dependents is increased from $1500 to *five* times the 100% compensation rate and from $500 to one-half the 100% compensation rate.

Special thanks to Steve Meyer and Clark Dyrud for bringing this oversight to our attention.
