Past Officer's Insignia

Leadership is the acid test of unselfishness. It demands constant service to others without thought of self. Your retiring President and Secretary have exemplified the true spirit of leadership. They have devoted their best efforts to the advancement of your Unit and such loyalty should be remembered.

A unique line of Past Officer's insignia has been provided for the ever increasing number of Units which annually decorate their retiring Presidents and Secretaries. The wide price range and great variety—rings, badges and pins—makes selection easy.

The *Past Officer's Badge* (see opposite page) has always been a very popular and much appreciated award. While not as practical as the pin or the ring there are ceremonial occasions such as State and National Conventions where only the Past Officer's Badge will serve.

The *Past Officer's Ring* (see opposite page) is a most unusual and practical presentation since it can be worn constantly. Made of green gold, it is beautifully designed with carved sides. The top is a black onyx with the small emblem and scrolls superimposed. It is truly a work of art which any woman would thoroughly enjoy owning.

The *Past Officer's Pin* (see opposite page) is brand new and was designed to meet the demand for a medium priced, practical Past Officer's award. The standard pin is set with six genuine half pearls and is supplied complete with guard as illustrated. Special diamond jewelled pins can be supplied on special order made exactly to your requirements. Prices on application.

Note: With the exception of the gold plated Past Officer's badge all Past Officer's insignia are furnished in appropriate gift boxes.
