American Legion Legacy Run
Route Plan

Indianapolis to Houston, August 18-22, 2013

This plan is subject to change based on changing road conditions during the Run, or when directed by law enforcement or public safety officials.

This plan is not intended to replace the road captain briefings given each morning and at other times during the Run. See your road captain for the latest information.

Mileages given below are approximate distances based on mapping software and odometer readings from the pre-runs and may not exactly match your motorcycle odometer readings. Provided as references only.

"GAS TANK NOTES" are a shortened version of the directions given for each leg for those who wish to write short navigational aids with grease pencil or marker on windshields, chrome, or other places for reference. ***Your own "tank" notes may be different than those suggested here.***
