NATIONAL EXECUTIVE COMMITTEE
OF
THE AMERICAN LEGION
October 9-10, 2024
Indianapolis, Indiana

Resolution No. 22: Membership System Upgrade
Origin: Finance Commission
Submitted by: Finance Commission

WHEREAS, The membership, fundraising and marketing strategies of The American Legion require the collection and analysis of data which provide integration with the more modern systems currently in use by The American Legion; and

WHEREAS, The current membership computer environment relies on third party software that is more complex and costly to develop, deploy and maintain considering the unique and complex rules of The American Legion; and

WHEREAS, The existing finance, commerce and communication platforms are ready for the integration with the membership management system needed by The American Legion; and

WHEREAS, The American Legion has the necessary resources to guide the creation of a membership management system, yet needs skilled workers to augment the development team; and

WHEREAS, The development of a membership system that is under the complete control of The American Legion and not reliant upon third parties is in the best interest of the organization; now, therefore, be it

RESOLVED, By the National Executive Committee of The American Legion in regular meeting assembled in Indianapolis, Indiana, on October 9-10, 2024, That The American Legion secure contracted development resources to create the replacement membership system with one-time development costs not to exceed $7,000,000 which will be capitalized and expensed over a period of ten years.
